

GQ19-BZ (Metal Key Switch)

| | | |
|-----------------------|----------------|-------------------------------------|
| Tail configuration | Screw terminal | |
| Switch specifications | --- -- | |
| Contact resistance | --- -- | |
| Insulation resistance | --- -- | |
| Dielectric Intensity | 2000VAC | |
| Ambient temperature | -20°C ~ +55°C | |
| Mechanical life | --- -- | |
| Electrical life | --- -- | |
| Panel thickness | 1 ~ 10mm | |
| Nut torque | 5 ~ 14Nm | |
| Operation pressure | --- -- | |
| Operation stroke | --- -- | |
| Protection level | IP50, IK04 | |
| Material | Contact | --- -- |
| | Button | Nickel plated brass/stainless stell |
| | Enclosure | Nickel plated brass/stainless stell |
| | Base | PA66 |
| LED Parameters | LED type | Buzzer/ Flicker buzzer |
| | Rated voltage | 6V/12V/24V/110V/220V |
| | LED color | |
| | LED life | 40000 hours |
